

## **TASTING NOTES - *Springleaf* Organic White Tea**

**Background:**

*Springleaf*<sup>®</sup> Iced Tea is the only iced tea brewed fresh from real organic leaf tea (not tea extracts or powders), with no added sugar. A dash of fruit juice gives the tea a bit of sweetness, and the drink is far less sweet than other iced teas or soft drinks.

White tea, a special type of green tea, is one of the rarest teas in the world. It is harvested only in springtime, and is made with the newly budding leaves of the season, before they have developed into mature leaves.

The name “White tea” refers to tiny hairs on the surface of young tea leaves as they are picked.

**Ingredients:**

- Freshly brewed certified white tea (estate-grown white teas from the Fujiyan region in China)
- Zesty Citrus (grapefruit juice, apple juice)

**Colour:**

Bright orange-amber.

**Nose:**

Zesty, almost fruity, white tea flavours balanced with zingy citrus (lemon, grapefruit) and gentle fruity notes (from Ceylon teas).

**Palate:**

Delicate flavours of fine white tea blend smoothly into clean, tart citrus notes.

**Food:**

Like a fine sauvignon blanc, *Springleaf* Organic White Tea is fantastic with seafood on a sunny afternoon!
